Charlie Brown Christmas Tree Contest Information

General

In true Edgcomb spirit, our third annual Charlie Brown Christmas Tree Contest will again set the stage for the peninsula's holiday festivities. Twenty of the town's finest scraggly trees will be decorated, lit and displayed on the front lawn of the Town Hall from Friday, December 6 through December 31.

The committee will provide a scraggly 5' to 6' evergreen tree, a tree stand, electrical power, and up to three 50-light LED strings. Participants will provide all other decorations, in the spirit of a "Charlie Brown" tree. Decorating will be done outdoors, so dress accordingly. On Friday, December 6 at 4:30, the trees will be officially lit. Judges will then select winners in five fun categories. Hot chocolate, snacks, a carol sing-along and a holiday story will round out the evening's fun.

Eligibility

- The contest is open to Edgcomb school classes, Edgcomb churches/church groups, Edgcomb civic organizations, Edgcomb businesses, and residents of Edgcomb
- Individuals or groups must submit a registration form.
- Total number of trees will be limited to 20, and assigned on a first-come, first-served basis.
