Re: Boothbay Region Veterans' Banner Program

Dear Veterans and their Families,

We are writing to see if you would be interested in participating in the Boothbay Region Veterans' Banner Program. The program is designed to honor all veterans who served honorably in America's armed forces (or Merchant Marine in WWII) who served from 1941 through the present day, particularly those Killed in Action. We welcome all veterans to participate from the four peninsula towns - Boothbay, Boothbay Harbor, Edgecomb, and Southport.

This project is being run by a volunteer committee through American Legion Post #36 in Boothbay. If you are interested in purchasing a banner, please fill out the enclosed Honoree Profile and order form. A high-quality photo of the veteran, preferably in uniform, is needed to complete the order. If you are uncomfortable sending it through the mail, please contact your town's Committee representative and arrangements can be made for pick up.

If you would like to honor more than one family member or friend, you can photocopy the form or request more through a committee member. The banners are 30" x 60" in size and cost \$125.00, which includes the hardware to hang them. They will be mounted on telephone poles before Memorial Day and will be taken down after Veterans Day annually, starting in May 2024.

Will you help us honor the Boothbay Region's veterans? This is a remembrance project and an opportunity for our community to honor our neighbors who served in the U.S. Armed Forces, both living and those who have passed away. We look forward to hearing from you!

Sincerely,

Boothbay Region Veterans' Banner Committee
