BLASTING CHECKLIST (See Blasting Ordinance for complete information)

Required Documents:

- Application
- Permit from the Maine Commissioner of Public Safety
- Blasting Permit issued by the Code Enforcement Officer
- Planning Board Approval for blasting that requires filling and/or earth-moving in excess of 100 cubic yards or that will be carried out in connection with any other activity or use that requires Planning Board approval.
- Names of individual(s) who shall be doing the blasting and a photocopy of each such identified person's current Maine explosives permit issued by the Commission of Public Safety
- Name of the insurer, policy number and agent providing insurance coverage as required by this ordinance.
- Location listing tax map and lot number and date of proposed blasting and a description of the precise location of the blast site.
- Procedure for pre- and post-blasting inspections
- Such other information as may be required by the Code Enforcement Officer to decide the application.
- The fee which is set by the Board of Selectmen
- Space for comments by the Planning Board and Fire Chief
